What is a Tax Credit?

Tax credits directly reduce the amount of tax you owe. This means tax credits have a much greater impact on your Kansas State taxes and can be a huge benefit to you.

How to get the Credit?

1. Donate \$250 or more to Ember Rising in the current Tax Year.

2. Complete the application that will be sent to you by Ember Rising.
3. Ember Rising will submit the application to the state on your behalf.
4. Once processed by the state, Ember Rising will mail a tax award letter to you.

The Kansas Department of Revenue must approve all tax credits. Please note that Ember Rising cannot guarantee that your donation will qualify for the Kansas State Credit. We strongly recommend discussing your donation plans with your tax advisor to ensure you understand how it may affect your tax credit eligibility.
